## PHOTO CONSENT POLICY:

Photography and video footage will only be permitted by WNNA and its teams or clubs for three purposes:

1. Player/Umpire training and development
2. Association/Club promotion and publicity
3. For personal use by the Participant and/or family only

As outlined in Netball Victoria's Child Safety in Netball Policy, 'It is a serious breach of this Child Protection Commitment Statement and possibly the law, if any Persons in Positions of Responsibility and Authority, whether participating in a program, event, service or activity, or working in a paid or volunteer capacity, harm or exploit Children and Young People who are involved in any of NV's activities, services, events or programs. Breaches of this include, but are not limited to, any Persons in Positions of Responsibility and Authority who:

- take, reproduce and/or distribute photos of Children and Young People without their consent or the consent of their guardians
- publish *any material containing images of Children and Young People...*

### Association Photographer

From time-to-time, WNNA will engage a photographer/videographer to take footage for the *purpose of selling images* to participants or interested persons. Prior consent from teams or individuals, including umpires will be obtained for this purpose. Any non-consent will be clearly articulated to the engaged photographer/videographer so that images of non-consenting Teams or individuals are not obtained nor made available for purchase.

### Outdoor Venues

The Waverley Netball Centre is a public open space. Neither Netball Victoria nor an Association can stop anyone from taking photographs or video images in this instance. Someone unknown to the Association who arrives at the venue and starts filming can be asked for what purpose they are filming. If the answer is satisfactory, they can be requested, but not forced, to register as per the recommended guidelines below. If the answer is not satisfactory and the person continues to behave in a 'suspicious' manner, then the Police may be called.

### Indoor Venues

Indoor venues such as Waverley Netball Centre may have particular photography/video restrictions or guidelines in place which must be followed. WNC asks photographers being engaged by club/teams to register at reception prior.

### Condition Of Entry

**The WNNA may wish to record images of participants during WNNA competitions for promotional and training/development purposes. These images may be used in mediums including publications and promotional material, and broadcast, print and electronic media.**

WNNA agrees not to use any photo in a manner that may be deemed adverse or defamatory to the person(s) involved and it will not use the photo for any commercial gain. The photos will remain the property of the WNNA and any personal details regarding this photo will be kept confidential and will not be used for any purpose other than related to this photo.

During this competition parents and family of players may wish to record images of their family members participating for personal use only. Where possible such requests will be authorised and subject to certain conditions, noting that on public land this is not enforceable.

**It is a condition of entry into the WNNA competition that participants may be subject to photography/filming as described above and that consent is provided for this purpose\*\*.**

**As the Club / Team Contact entering the team into the competition, you advise that all team members and parents/guardians (if under 18) are aware of the above conditions and agree to comply.**

**\*\* Under exceptional circumstances, an exemption may be granted – the team/individual needs to state, in writing, the reason an exemption is being sought to the Centre Manager.**
