TEAM PHOTGRAPHY INFORMATION

We're thrilled to announce that SportsPix will once again be court side as the official photographers for the 2026 Waverley International Schools Netball Championships.

This year, as always, you can head over to see the SportsPix photographers and have group and fun photos taken with your team. And you can expect even more ways to commemorate your achievements, both during and after the event.

There's even an award for the best funny photos, so make sure you bring your props and your mascots and take part in the fun!
